NIKHIL HAS AMBITIONS TO BECOME A **MEDICAL DOCTOR!**

Vavita's injuries are profound. A severe burn incident that occurred some 15 years ago has impaired freedom of movement of her head, arms, and hands. Yet her hand showed amazing dexterity.

Firozabad is a center for the glass industry, especially BANGLES!

Hot Flame! No Protection!

There is a long tradition of using popular theater to communicate critical social messages.

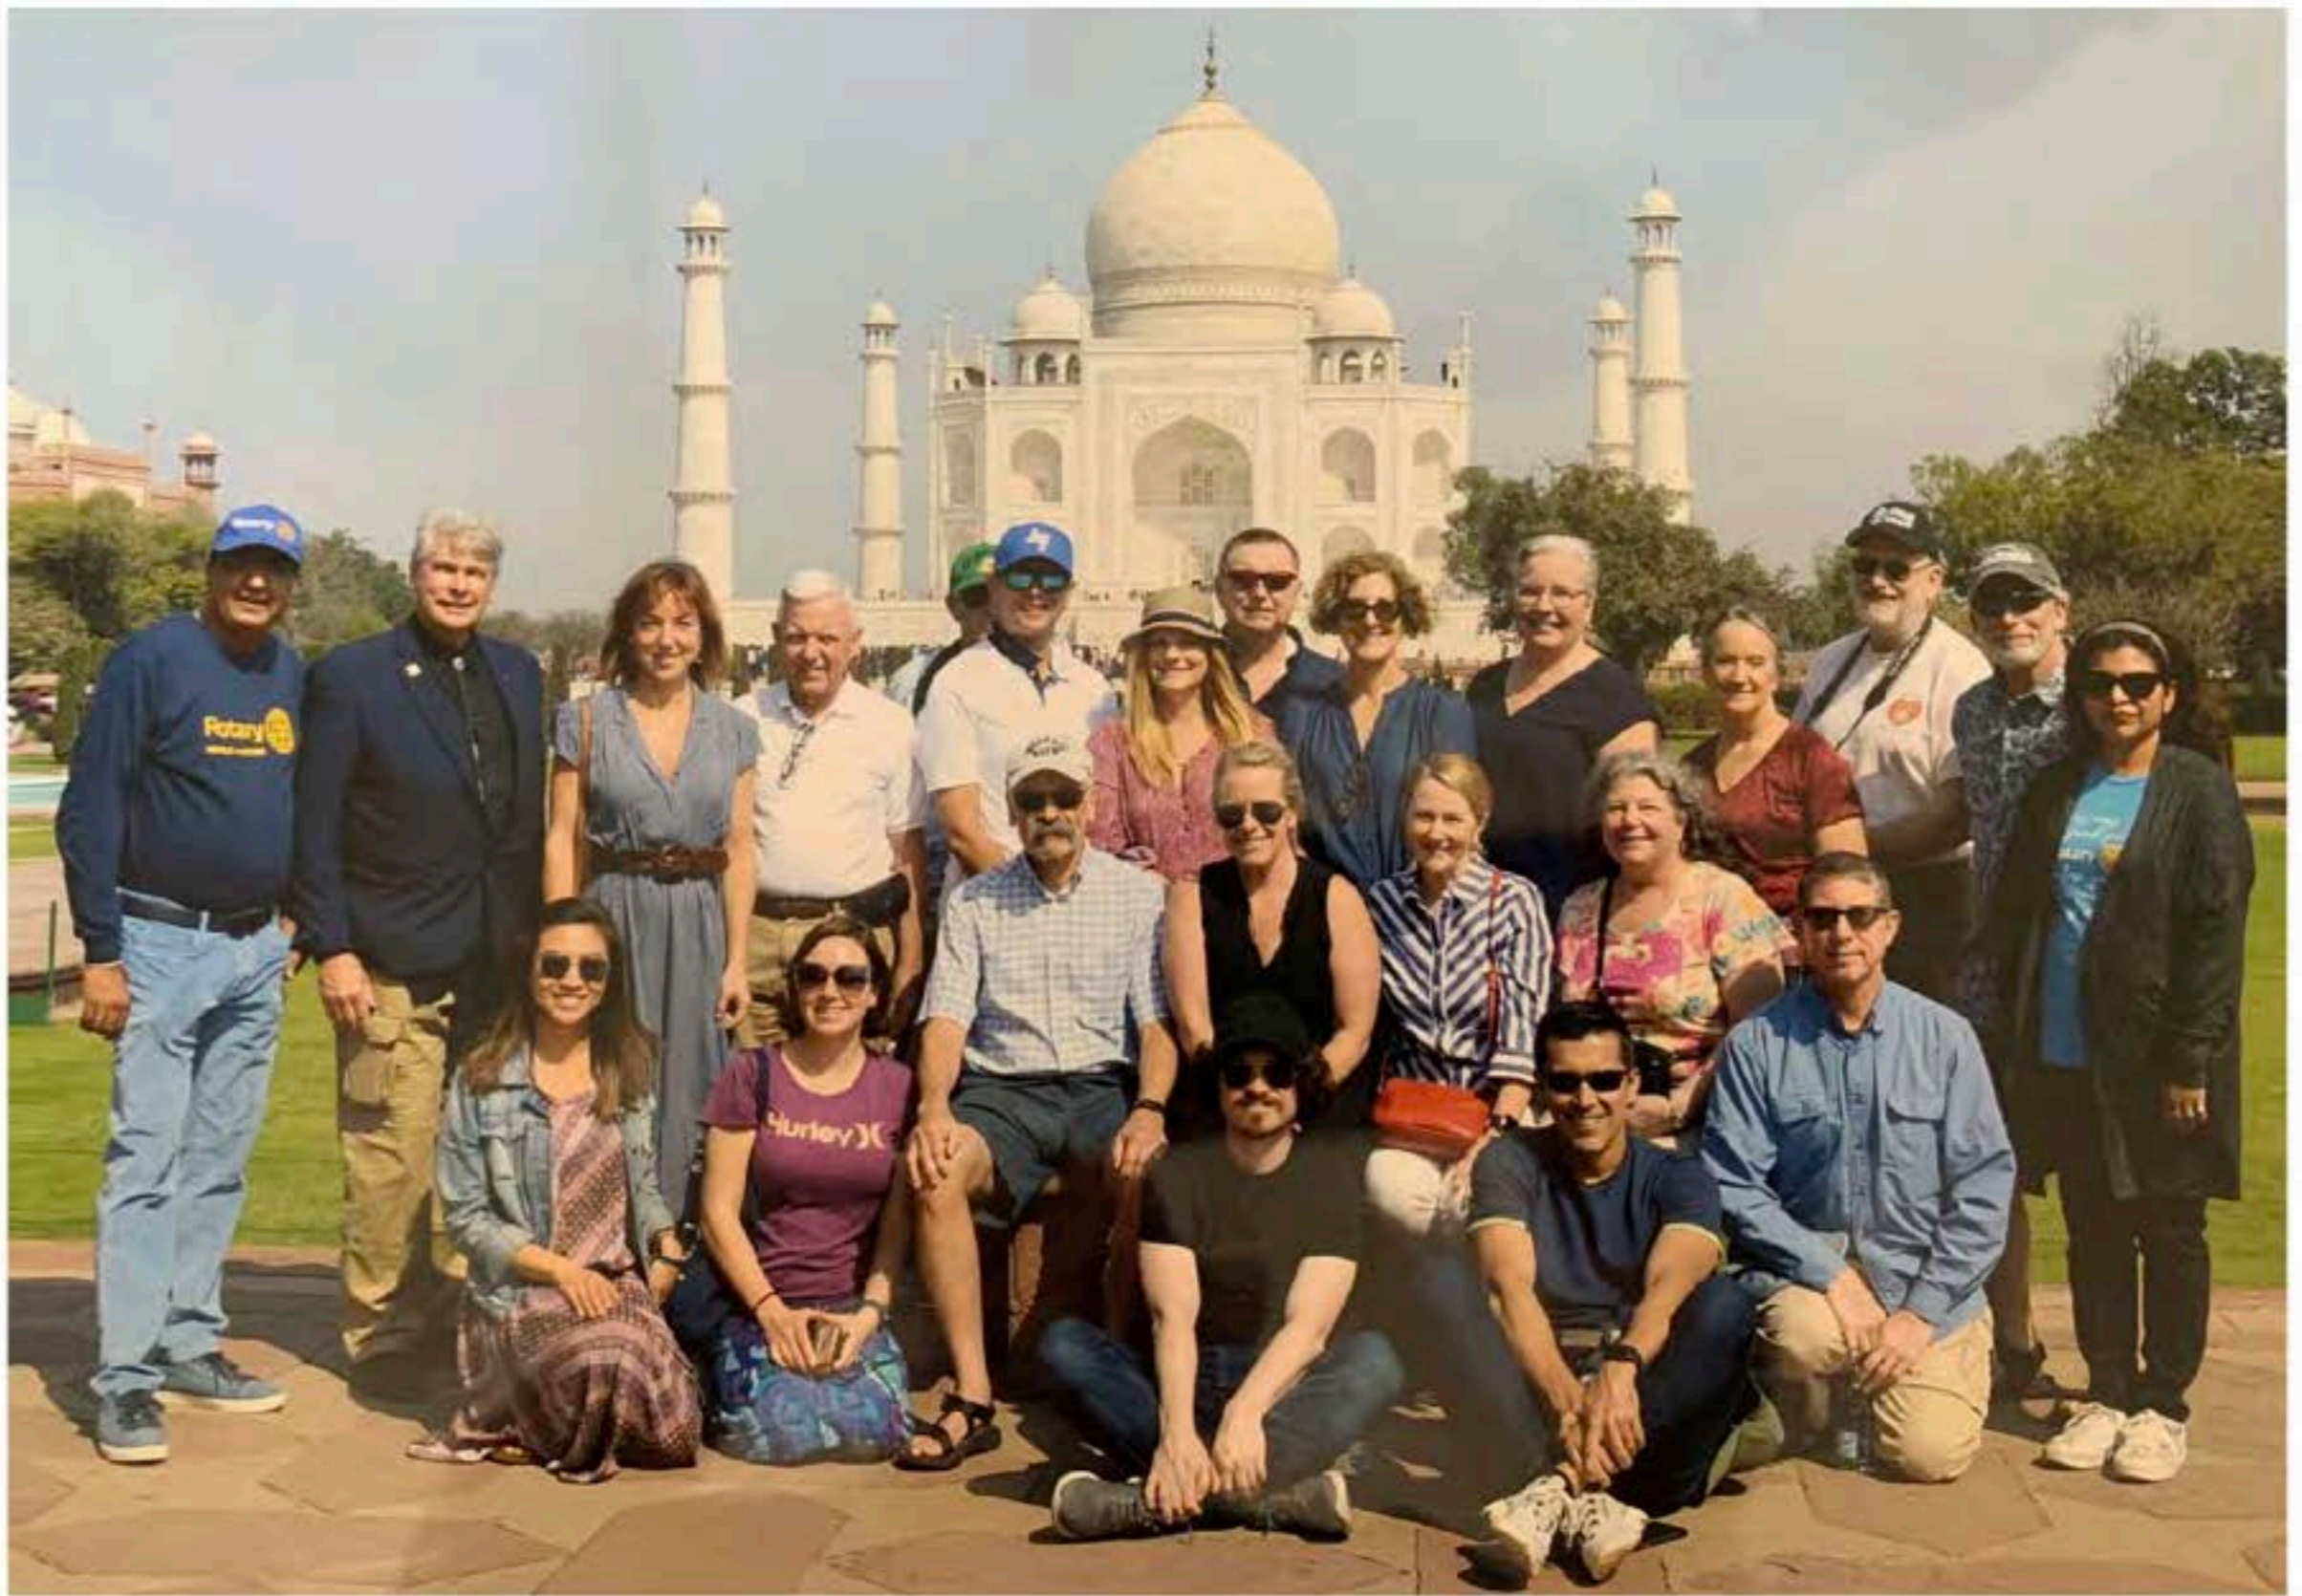

What if we created a collaborative

MIMELIGHT PROJECT

to communicate SAFETY practices to prevent burn injuries and EMERGENCY actions for when burn accidents actually occur!
